

Windsor Bowls Club

69 Blackmore Street Windsor Qld 4030

“Barefoot Bowls Prices”

- All Social Member and visitors, you play for \$5.00.
- Discounts for large groups can be negotiated

“Barefoot Bowls Rules”

The greens at Windsor Bowls Club are kept to a very high quality and cost around \$100,000 a year to maintain. Please help us maintain this quality by respecting our rules.

- **FOOD, DRINKS AND SMOKING** – Please refrain from eating, drinking or smoking on the greens;
- **FOOTWEAR** – your choices are flat soled non-rippled shoes (i.e. volley sandshoes; thongs, etc.) or bare feet only or socks;
- **BE CAREFUL** – Avoid driving (this means delivering the bowl with a very fast action) as this can cause injury to other people. Also no throwing, dropping or standing on bowls at any time as it can cause major damage to the greens;
- **CHILDREN**
 - Children under the age of 7 years will be provided softer balls to use in the grassed area under the gazebo;
 - Children 7 years and over, should be supervised by a responsible adult when on the green;
- **WEATHER**
 - If there is light rain you are still welcome to play, but be very careful not to scrape or drag your feet on the grass as this can cause damage;
 - If there is lightning, you must all retire to the Clubhouse until the threat has passed.
